- 12:45:19 From realjuel : Have a wonderful holiday, Everyone. I need to, unexpectedly, go to help a sick friend. Will be with you all next week.
- 12:48:36 From Pamela Beets : Linda- I'd be very interested in hearing about that fungus
- 12:52:05 From Mary Ann Pets & People Energy Medicine : Netflix - movie Afterlife
- 12:55:06 From Charlotte Erika Walker : We only have to look at dogs. Dogs are not Aggressive for the want to be. Its either Neurological, they are in Pain or they

are Fearful. I work on the understanding that after veterinary checks its always Fear. I work with Bach Flower Remedies and allow the Dogs to Self Select/Self Medicate and they always pick the right remedy for their Emotional Response to Fear. Bach Flower Remedies are Emotion based and they are so gentle but so powerful in healing. :) x

- 12:56:22 From Sage Lewis : Violence begins where knowledge ends - Abraham Lincoln

- 13:10:17 From christine : Christine here--I am absolutely with you Valentina--NO WAY!
- 13:16:15 From Linda Claire - Irvine, CA : I recommend everyone sign up to receive the newsletter published by CHILDREN'S HEALTH DEFENSE - a group headed by RFK, Jr. They have lots of interesting and important articles which give us ways to approach this issue.
- 13:20:37 From Charlotte Erika Walker : Dr Judy Mikovits Plague of Corruption book well worth a read. She was the one who discovered the relationship between vaccinations and Autism. She has seen been censored and made bankrupt. She worked with Fauci.
- 13:23:19 From Linda Claire - Irvine, CA : The documentary PLANDEMIC tells Judy Mikovitz's story. She has two books out which tell how they destroyed her reputation, invaded her home (without warrant), and jailed her for a few days -- without ever filing charges. It's a terrible example of the power gov't officials can use to their own end.
- 13:25:42 From Charlotte Erika Walker : Yes Linda Claire There is Pharma Mafia Hitmen too, she is lucky to be alive still.
- 13:28:30 From Sage Lewis : I have to head out, and I'm not in a hurry to put any vaccines in my body. Heart Hugs to all of you during this holiday season and into the New Year!

- 13:29:05 From Charlotte Erika Walker : Bye Sage thank you for your knowledge and wisdom :) xxx
- 13:30:50 From Lois Kohlmeyer, Mesa, AZ : I enjoy using Four Sigmatic products that make taking fungus easy. They taste great.....combine many varieties of mushrooms with coffee, chocolate, etc. I've been upping my use of functional mushrooms this past year.
- 13:34:48 From Lois Kohlmeyer, Mesa, AZ : if I want to fly on a plane, I may be required to have one.
- 13:37:49 From christine : Valentina--I am all the way with you on everything you said. I have been on this track for years and the human DNA from aborted fetuses have been there as well.

<https://www.cdc.gov/vaccines/schedules/hcp/imz/child-adolescent.html>
- 13:55:57 From Linda Claire - Irvine, CA : Children's Health Defense put together two lists of the side effects of all vaccines administered to kids (including flu vaccines for adults, which have more adverse reactions than other shots). Go to the CHD web site for the lists. They have full documents to support everything they post in their publication, and these lists were prepared from the actual vaccine inserts. I recommend everyone look over these lists, and share them with others. This Is info we won't see anywhere else.
- 13:57:56 From Linda Claire - Irvine, CA : The vaccine side effects articles were published in (I believe) April and Nov. issues of CHD newsletter -- titled "Read the small print."
- 13:58:33 From Anna Oeste : Anna Oeste, christrevealed.com greenmedinfo.com
Daniel G. Amen, MD book: Sex on the Brain
- 14:00:47 From Lois Kohlmeyer, Mesa, AZ : Thanks to all for all your input. Sending much love and joy to everyone. This group is so special with each perspective and I am so enjoying the sharing.

- 14:05:06 From Valentina : I send people to Children's Health Defense when they tell me that anti-vaccination propaganda is a tool of the Republican Party. I mention that CHD is the wonderful program helmed by Bobby Kennedy Jr. who, to my knowledge, has neither become a Republican nor had a sex-change operation
